

PROFESSIONAL SUMMARY

I am a second-year Bachelor of Engineering student specializing in Information Science and Engineering (ISE) with a strong interest in software development. I am actively building my skills in programming, problem-solving, and modern technologies, with a focus on developing practical projects and gaining industry-relevant experience.

EXPERIENCE

web development

2025 - 2025

Krytil Pvt Ltd

- Completed a Web Development Internship, where I built and maintained responsive web applications using modern technologies, improving UI/UX and functionality.

SKILLS

Python

Java

React

HTML

CSS

JAVA

My SQL

Mango DB

Generative AI

Git

Project management

Docker

Kubernetes

AWS

Ubuntu Linux

C

GitHub

Java Script

PROJECTS

Smart parking system

Developed an automated parking system using Arduino Uno, IR sensors, and a servo motor to detect vehicle entry and control gate operations, reducing manual effort and improving efficiency while gaining hands-on experience in IoT, embedded systems, and programming logic.

Jarvis Voice Assistant (Python Project)

Developed a Python-based voice assistant with wake-word detection ("Jarvis") that recognizes voice commands to perform tasks such as opening applications and websites (YouTube, Instagram), demonstrating skills in speech recognition, automation, and Python scripting.

Employee Management System (EMS)

Developed a full-stack Employee Management System with role-based access control (RBAC) to manage employee data, attendance, and leave records. Implemented secure authentication, backend APIs, and a responsive UI for efficient HR operations.

ACHIEVEMENTS

- Introduction to Generative AI Completed the Introduction to Generative AI course by Simplilearn in collaboration with Google Cloud. Gained foundational knowledge of generative AI concepts, applications, and workflows.
- Java basic certificate I earned the HackerRank Java (Basic) Certificate December 2025, proving my skills in fundamental Java programming

CERTIFICATIONS

- Java** — Hacker Rank
- Gemini for Google Workspace** — Simply learn
- Introduction generative Ai** — Simply learn

EDUCATION

BE in Information science and engineering

Atria Institute of technology

GPA: 7.9

Sep 2028

PUC in PCMB

Government pu college

GPA: 83%

Apr 2024

High school in 10th

Karnataka public school

GPA: 81.28%

Sep 2022
